

Crossborder cycling connection and cooperation

B2B event for companies in cycling industry

When: 22nd March 2024

Where: PVA EXPO Praha, Czechia

The Enterprise Europe Network partners organise b2b meetings for companies in cycling industry. The event is organised as an accompanying event of the FOR BIKES fair.

The event is thematically dedicated to companies, stakeholders and institutions in cycling industry, for example:

- producers/ distributors of bicycles and e-bikes, both standardized and customised
- producers/ distributors of accessories for bicycles and e-bikes
- producers/ distributors of apparel for cyclists
- organisers of alternative way of transport in cities
- cargo-cycling
- cycling as a transport, as a sport, as an entertainment
- smart solutions for cycling industry
- services for cycling and cyclists

Registration is open until 7th March 2024.
